## **Highlights:**

Bryan has been a member of the Bribie Surf Club for the majority of his life. He spent many years at the club as a nipper and became a very active senior member soon after leaving nippers. Bryan has excelled in the club arena at a number of levels. His patrol commitment has been second to none, with him completing 908.5 hours over a 15 year period. The most patrol hours of any person since records started in 1990. He has been very active in educating and assessing awards and has been the club supervisor for the last 10 seasons. Bryan has also contributed largely to the success of the club's patrol competition team and was a member of that record-breaking team for 13 of its 15 branch victories. He was also successful in the individual area of Champion Lifesaver, gaining a state silver medal in 1995. In recent years Bryan has also worn the hat of collection co-ordinator for the Brisbane door to door, one of the biggest money raising activities for the club each season. Bryan has been a fundamental member of our club over the last 16 years and that is clearly illustrated below.
