

Bribie Island Nippers Program

**Surf and Rescue
Education for our Community**

Not for Profit

<https://www.bribieislandsurfclub.com.au/nippers>

2024/5

About us

Since 1923, Bribie Island Surf Life Saving Club (SLSC) has proudly patrolled and protected Woorim Beach, located on the Eastern side of Bribie Island. In 1967 the Junior Activities section of the club (better known as Nippers) was established.

Our programmes introduce children aged from 5 to 13 years to lifesaving. Developing a child's confidence, knowledge and skills in a beach/surf environment. Our programme allows them to continue in lifesaving and surf sports as they develop.

In 2023-2024, the Junior Activities section had 185 junior members. The Nippers Season runs from September to the following March. In this time our Nippers participate in:

- Swimming
 - Race Boarding
 - Beach Sprinting
 - Flag Running
 - Rescue and Resuscitation
- and lots of Fun and laughter.

Vision & Mission

Vision

For children to complete their Surf Rescue Certificates during the course of the Nippers program and the next completed group to stand in yellow and red, and patrol our beach, volunteering their time to save peoples lives.

Mission

To create the best platform for every child to succeed in becoming a lifesaver and assist with all surf sports.

Our Junior Activities Co-Ordinator (JAC)

Dear Sponsor,

Welcome to the 2024/2025 Nipper Season. It is a highlight every weekend to see smiling faces on the beach. It is also a great pleasure getting to say hello to all the parents every Sunday on our beautiful beach of Woorim.

I joined the Bribie Island Life Saving Club in 2015/2016 when my wife Renee and I enrolled our eldest daughter Charlize into the Blue Caps. Being my 5th season as JAC of the Bribie Island Nippers, I am confident, that everything myself, our committee, age mangers and new coaches have put in place; will create the best platform for every child to succeed in becoming a lifesaver and assist with all surf sports. It is with the support of our volunteers, parents, committee, and community members that we are able to see each season take place. Sponsorship from our community helps to provide funding for maintenance of life saving equipment and club facilities, and costs related to our nipper competitions and carnivals. If you are looking to connect with a local club, play an active role in making a difference to young peoples lives, and support your community; please take a look at our range of sponsorship packages. Take care, and we hope to see your business advertised in our club!

Age Manager U8 Anthony Knott

The amount of work that is put
in behind the scenes is
extraordinary.
For the 2024/25 season we have
some new faces on Board.

Why become a Sponsor?

As a valued sponsor of the Bribie Island Nippers Program your support will allow us to provide a first class training environment so our junior members can:

- Train and develop the key skills, fitness and discipline involved in surf lifesaving activities
- Experience being a club member that encourages team work
- Participate competitively at surf carnivals, Bribie Island Club, Sunshine Coast Branch and Queensland State competitions throughout the season

We believe that this will not only assist in retaining our junior member base, but also encourage growth by attracting potential new junior surf lifesavers and competitors to join our club.

It will also provide your organisation with the opportunity to be involved with a local community club, the nipper teams, individual age groups and individual athletes. We have a range of sponsorship packages available that can provide your organisation flexible options to support our community. As a sponsor of the Bribie Island Nippers Program we will endeavour to promote your brand throughout the Surf Life Saving Club and wider community at every opportunity.

Electrical Package - Looking for Electrical Products for the BBQ/Kitchen Area for the Platinum Sponsor. All others are Cash options. e.g: fridge/freezer, Bbq, TV, air conditioners
